

INDEPENDENT AUDITOR'S REPORT

To the Members of Panchshil Corporate Park Private Limited

Report on the Audit of the Financial Statements**Opinion**

We have audited the financial statements of Panchshil Corporate Park Private Limited ("the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors' report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except that:
 1. The back-up for books of account maintained in servers physically located in India in electronic mode for one software used in the hotel property was not kept on daily basis;
 2. In respect of one other software used in the hotel property which is operated by third party service provider for which back-up for books of account maintained in servers physically located in India in electronic mode was not kept on daily basis for the period from April 01, 2025 to June 30, 2025;
 3. In respect of one other software used in of the hotel property which is operated by third party service provider for which, in the absence of evidence in the Service Organisation Controls report, we are unable to comment on whether the backup of books of account and other books and papers in respect of such software maintained in electronic mode has been maintained on daily basis on servers physically located in India; and
 4. for the matters stated in the paragraph (i) (vi) below on reporting under Rule 11 (g);
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

SRBC & CO LLP

Chartered Accountants

- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2 (b) above on reporting under Section 143(3)(b) and paragraph (i) (vi) below on reporting under Rule 11(g);
- (g) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2026;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – refer note 36B to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 45 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 45 to the financial statements, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. No dividend has been declared or paid during the year by the Company.

SRBC & CO LLP

Chartered Accountants

- vi. Based on our examination which included test checks, the Company has used one accounting software in its hotel property and one software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that audit trail feature is not enabled for certain changes made, if any, using privileged/ administrative access rights, as described in note 44 to the financial statements.

the Company has used an accounting software for payroll records in its hotel property for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software as described in note 44 to the financial statements.

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software(s) where the audit trail has been enabled.

Further, the Company has used three accounting software in the hotel business which are operated by third-party software service providers. In the absence of any observations on audit trail feature for certain changes made, if any, using direct privileged/ administrative access rights to the data, in the respective Service Organisation Controls (SOC) reports, we are unable to comment on whether audit trail feature of these software was enabled and operated throughout the year for direct changes made to data for all relevant transactions recorded in this software or whether there were any instances of the audit trail feature being tampered with.

Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective year except the audit trail for one software used in the hotel business in respect of prior years has not been preserved by the Company as per the statutory requirements for record retention as stated in note 44 to the financial statements.

Annexure 1 referred to in paragraph under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: Panchshil Corporate Park Private Limited ("the Company")

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Investment Property.
- (i) (a) (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
- (i) (c) The title deeds of all the immovable properties disclosed in note 4A and 5A to the financial statements are held in the name of the Company.
- (i) (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year ended March 31, 2026
- (i) (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) Physical verification of inventory has been conducted at reasonable intervals during the year by management. In our opinion, the coverage and procedure of such verification by the management is appropriate. There were no discrepancies of 10% or more noticed, in the aggregate for each class of inventory.
- (ii) (b) The company has been sanctioned working capital limits (which is a sublimit of term loans) in excess of Rs. five crores in aggregate from a bank during the year on the basis of security of current assets As represented to us by the management, the bank has waived off requirement of submitting quarterly statements. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company. The company does not have sanctioned working capital limits in excess of Rs. Five crores in aggregate from financial institutions during the year on the basis of security of current assets of the company.
- (iii) (a) During the year the Company has provided loans to companies as follows:

(Amount in INR Million)

Particulars	Amount
Aggregate amount granted during the year	477.50
-Others	
Balance outstanding as at balance sheet date	
-Others	155.00

During the year the Company has not provided loans, advances in the nature of loans, stood guarantee and provided security to Limited Liability Partnerships or any other parties.

- (iii) (b) During the year the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans, investments in companies are not prejudicial to the Company's interest.
- (iii) (c) In respect of loans granted to companies and Limited Liability Partnerships, the schedule of repayment of principal and payment of interest has not been stipulated in the agreement. Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest in respect of such loans.

SRBC & CO LLP

Chartered Accountants

- (iii) (d) The following amounts of interest are overdue for more than ninety days from a company, to whom loan has been granted and principal thereon has been repaid, and reasonable steps have been taken by the Company for recovery of the overdue amount of interest.

(Amount in INR Million)

Number of Cases	Principal Amount Overdue	Interest Overdue	Total Overdue
1	Nil	22.91	22.91

- (iii) (e) There were no loans or advance in the nature of loan granted to companies and Limited Liability Partnerships which had fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- (iii) (f) As disclosed in note 8 to the financial statements, the Company has granted loans either repayable on demand or without specifying any terms or period of repayment to companies during the year. Of these following are the details of the aggregate amount of loans granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013.

(Amount in INR Million)

	All parties	Related parties
Aggregate amount of loans		
- Repayable on demand	1,373.97	1,068.97
Percentage of loans to the total loans	100%	77.80%

- (iv) Loans and investments in respect of which provisions of sections 185 and 186 of the Companies Act, 2013, to the extent applicable, have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, Maharashtra value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (vii) (b) The dues of goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute, are as follows:

Name of the statute	Nature of the dues	Amount (Rs. In Million)	Period to which the amount relates	Forum where the dispute is pending.
Service Tax	Service Tax	33.32	FY 2013-14 and FY 2014-15	Commissioner (Appeals) of Central Tax
Service Tax	Service Tax	11.78	FY 2015-16 and FY 2016-17	Commissioner (Appeals) of Central Tax

S R B C & CO LLP

Chartered Accountants

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (ix) (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (ix) (c) Term loans were applied for the purpose for which the loans were obtained.
- (ix) (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (ix) (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The company does not have any associates or joint ventures.
- (ix) (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary. The Company does not have associates or joint ventures.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (x) (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (xi) (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (xi) (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), 3(xii)(b) and 3(xii)(c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (xiv) (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

S R B C & CO LLP

Chartered Accountants

- (xvi) (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (xvi) (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (xvi) (d) The Company has one unregistered Core Investment Company as part of Group.
- (xvii) The Company has not incurred cash losses in the current year and immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 40 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 28.02 to the financial statements.
- (xx) (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 28.02 to the financial statements.

Annexure 2 to the Independent Auditor's Report of even date on the Financial Statements of Panchshil Corporate Park Private Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Panchshil Corporate Park Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with reference to these Financial Statements

A company's internal financial controls with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

SRBC & CO LLP

Chartered Accountants

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, in all material respects, adequate internal financial controls with reference to these financial statements and such internal financial controls with reference to these financial statements were operating effectively as of March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Material Accounting Policies and Other Explanatory Notes to the financial statements

1. Corporate information

Panchshil Corporate Park Private Limited (the "Company") was incorporated on September 15, 2005 as a private limited company domiciled in India under the provisions of the Companies Act, 1956 engaged in the business of leasing of commercial spaces and operation of a commercial hotel. Its registered and principal office of business is located at Tech Park One, Tower 'E', Next to Don Bosco School, Off Airport Road, Yerwada, Pune - 411006.

The financial statements as at and for the year ended March 31, 2026 were approved by the Board of Directors for issue on May 12, 2026.

2. Basis for preparation:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III).

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which have been measured at fair value or revalued amount at the end of each reporting period.

The financial statements are presented in INR and all values are rounded to the nearest million (INR 000,000), except when otherwise indicated.

2.1 Summary of material accounting policies

a) Current versus non-current classification

The Company presents assets and liabilities other than deferred tax assets and liabilities in the balance sheet based on current / non-current classification as per the Company's normal operating cycle and other criteria set out in Schedule III (Division II) to the Act. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current liability when either:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b) Investment in subsidiaries

A subsidiary is an entity that is controlled by another entity. The Company's investments in its subsidiaries are accounted at cost less impairment.

Impairment of investments

The Company reviews its carrying value of investments carried at cost annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is recorded in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the Investment is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the cost of the Investment. A reversal of an impairment loss is recognized immediately in P&L.

c) Foreign currencies

The financial statements are presented in INR, which is also the Company's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Company uses an average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

d) Fair value measurement

The Company measures financial instruments, such as, investments in mutual funds at fair value at each balance sheet date. Fair-value related disclosures for financial instruments and non-financial assets that are measured at fair value or where fair values are disclosed, are disclosed in note 38.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interests.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as unquoted financial assets measured at fair value and for non-recurring measurement, such as non-current assets held for sale.

External valuers are involved for valuation of significant assets and liabilities such as investment property. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Investment properties
- Financial instruments (including those carried at amortised cost)

e) Revenue from operations

Rental income from investment property

Rental income from property leased under operating lease is recognized in the income statement on a straight-line basis over the term of the lease. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Company is reasonably certain that the tenant will exercise that option. The Company collects Goods and Service Tax on behalf of the government and therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue. Contingent rents if any are recognized as revenue in the period in which they are earned.

Revenue from contracts with customers

Revenue from operations is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

(i) Hotel Operations

Rooms, Food, Beverage and other allied hotel services including banquet services:

Revenue is recognized at the transaction price that is allocated to the performance obligation. Revenue includes room revenue, food and beverage sales and banquet services which is recognized once the rooms are occupied, food and beverages are sold and banquet services have been provided as per the contract with the customer. Room revenue is recognized over time while revenue from sale of food and beverages is recognized at a point in time. In relation to other allied hotel services, the revenue has been recognized by reference to the time of service rendered.

(ii) Commercial leasing

Maintenance charges:

Maintenance charges arising from operating leases are recognized over time as and when the services are rendered. The Company collects Goods and Service Tax on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Sale of construction material, including fit-out sale:

Revenue from sale of construction materials is recognized at a point in time when control of the goods have been transferred to the customer. The Company collects Goods and Service Tax on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Variable Consideration:

If the consideration in a contract includes a variable amount (like volume rebates/incentives, cash discounts etc.), the Company estimates the amount of consideration to which it will be entitled in exchange for rendering the services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognized will not occur when the associated uncertainty with the variable consideration is subsequently resolved. The estimate of variable consideration for expected future volume rebates/incentives, cash discounts etc. are made on the most likely amount method. Revenue is disclosed net of such amounts.

Contract balances

Contract Asset

A contract asset is initially recognized for revenue earned from rooms, food, beverage and other allied hotel services including banquet services because the receipt of consideration is conditional on successful completion of the contract. Upon completion of the performance obligation, the amount recognized as contract assets is reclassified to trade receivables.

Contract assets are subject to impairment assessment. Refer to accounting policies on impairment of financial assets in section r) Financial instruments – initial recognition and subsequent measurement.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to section r) Financial instruments – measured at amortised cost.

Contract liabilities

A contract liability is the obligation to render services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company renders services to the customer, a contract liability is recognized when the payment is made. Contract liabilities are recognized as revenue when the Company performs under the contract.

f) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss and does not give rise to equal taxable and deductible temporary differences.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that

future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

Goods and Service Tax paid on acquisition of assets or on incurring expenses

Expenses and assets are recognized net of the amount of Goods and Service Tax paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the tax authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables in the balance sheet.

g) Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

h) Property, plant and equipment and capital work in progress

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs if recognition criteria are met and directly attributable costs of bringing the asset to its working condition for the intended use. On transition to Ind AS, the Company had elected to continue with the carrying value of all property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of Property, plant and equipment.

Capital Work in Progress (CWIP) is stated at cost, net of accumulated impairment loss, if any.

When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit or loss as incurred. CWIP comprises cost of property plant and equipment that are not yet ready for intended use as at balance sheet date.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

i) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes purchase cost of land, the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred. On transition to Ind AS, the Company had elected to continue with the carrying value of all investment property measured as per the previous GAAP and use that carrying value as the deemed cost of investment property.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

Investment properties are de-recognized either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the statement of profit or loss in the period of de-recognition.

Transfers are made to (or from) investment properties only when there is a change in use. Transfers between investment property, owner-occupied property and inventories do not change the carrying amount of the property transferred and they do not change the cost of that property for measurement or disclosure purposes.

j) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Intangible assets with finite useful lives are amortised over their useful economic lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. The amortisation expense on intangible assets with finite lives is recognized in the statement of profit and loss in the expense category consistent with the function of the intangible assets unless such expenditure forms part of carrying value of another asset.

An intangible asset is derecognized upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

k) Depreciation and amortisation

Depreciation on property, plant and equipment and investment property and amortisation on intangible assets is calculated using Straight-Line Method ("SLM") using the rates arrived at based on the useful lives estimated by the management.

The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset. The Company has used the following useful lives to provide depreciation on its property, plant and equipment and investment property.

The Company, based on technical assessment made by technical expert and management estimate, depreciates some assets over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013 (refer table below). The depreciation expense on property, plant and equipment and investment property is recognized in the statement of profit and loss. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

[THIS SPACE HAS BEEN INTENTIONALLY LEFT BLANK]

Assets	Useful Life Estimated by the Management (years)		Useful lives as per Schedule II (years)
	Commercial office space	Hotel	
Building	60	30	60
Plant and Equipment	15	4-15	15
Electrical Installations	10	10	10
Furniture and Fixtures	8	10	10
Computers	3-6	3-6	3-6
Office Equipment	5	5	5
Vehicles	8	8	8

The Company has used the following useful lives to provide amortisation on its intangible assets. The amortisation expense on intangible assets with finite lives is recognized in the statement of profit and loss in the expense category consistent with the function of the intangible assets

Assets	Useful Life Estimated by the Management (years)	
	Commercial office space	Hotel
Computer Software	3-10	3-10

l) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

m) Leases

Company as a lessee

The Company does not have any assets taken on leases, except for short-term leases and leases of low-value assets.

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). The Company applies the low-value asset recognition exemption on a lease-by-lease basis, if the lease qualifies as leases of low-value assets. In making this assessment, the Company factors below key aspects:

- The assessment is conducted on an absolute basis and is independent of the size, nature, or circumstances of the lessee.
- The assessment is based on the value of the asset when new, regardless of the asset's age at the time of the lease.
- The lessee can benefit from the use of the underlying asset either independently or in combination with other readily available resources, and the asset is not highly dependent on or interrelated with other assets.
- If the asset is subleased or expected to be subleased, the head lease does not qualify as a lease of a low-value asset.

Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset is classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset, i.e., asset given on lease, and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

n) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the industries in which the Company operates, or for the market in which the asset is used.

Impairment losses of continuing operations are recognized in the statement of profit and loss.

o) Inventories

Inventory of food, beverages and other supplies are valued at lower of cost and estimated net realizable value. Cost is determined on a weighted average basis. Costs include cost of purchase including duties and taxes (other than refundable), inward freight, and other expenditure directly attributable to the purchase.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

p) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

q) Contingent liabilities

A Contingent liability is:

- (a) a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or
- (b) a present obligation that arises from past events but is not recognized because:
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or
 - the amount of the obligation cannot be measured with sufficient reliability.

The Company does not recognize a contingent liability but discloses the same as per the requirements of Ind AS 37.

r) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Classification

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL').

Initial recognition and measurement

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section e) Revenue from operation – Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- At amortised cost
- At fair value through other comprehensive income (FVTOCI)
- At fair value through profit or loss (FVTPL)

Financial assets classified as measured at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate ('EIR') method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance expense/ (income) in the profit and loss statement. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade receivables, security and other deposits receivable by the company.

Financial assets classified as measured at FVTOCI

There are no financial assets which are measured at FVTOCI.

Financial assets classified as measured at FVTPL

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognized in the statement of profit and loss. Such instruments are measured at fair value at initial recognition as well as at each reporting date. The fair value changes are recognized in the statement of profit and loss e.g. mutual fund. Further, the company may make an irrevocable election to designate a financial asset as FVTPL, at initial recognition, to reduce or eliminate

a measurement or recognition inconsistency.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognized (i.e. removed from the Company's balance sheet) when

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss except for impairment loss / (gain) on financial assets measured at FVTOCI, which shall be recognized in the OCI.

Financial liabilities

Classification

Financial liabilities are classified, at initial recognition, and subsequently measured at amortised cost or fair value through profit or loss ('FVTPL').

Initial recognition and measurement

Financial liabilities are recognized initially at fair value net of in the case of financial liabilities not classified as fair value through profit or loss ('FVTPL'), transaction costs that are attributable to the issue of the financial liability. Financial liabilities are recognized in the Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities at amortised cost

This is the most relevant category to the Company. The Company generally classifies interest bearing borrowings as financial liabilities at amortised cost. After initial recognition, these instruments are subsequently measured at amortised cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial liabilities at FVTPL

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated as such upon initial recognition. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit or loss.

Financial liabilities designated as such upon initial recognition at the initial date of recognition if the criteria in Ind AS 109 are

satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ losses are not subsequently transferred to the statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit and loss.

The Company has not designated any financial liability as at fair value through profit and loss.

De-recognition

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

s) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, balances with banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

t) Provision for employment benefits

Defined contribution plans

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contributions payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expenditure in the statement of profit and loss, when an employee renders the related service.

Defined benefit plans

Post-employment benefit in the form of gratuity fund scheme is a defined benefit plan. The present value of obligation under the scheme is determined based on actuarial valuation using the projected unit credit method ('PUCM'). The scheme is non-funded.

Re-measurements, comprising of actuarial gains and losses and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the statement of profit and loss in subsequent periods.

Past service costs are recognized in the statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment and
- The date on which the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under 'employee benefit expenses' in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements
- Net interest expense or income

Refer note 34 for additional disclosures relating to Company's defined benefit plan.

Provision for compensated absences

Provision for short term compensated absences is recognized for accumulated leaves that are expected to be utilized within a period of twelve months from the balance sheet date. Long term compensated absences are provided for on the basis of an actuarial valuation, using projected unit credit method, as at each reporting date. The Company recognises the entire changes in provision for compensated absences, including re-measurements in the statement of profit and loss for the year.

u) Earnings per share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

v) Other income

Interest Income:

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate ('EIR') applicable. For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). The EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss.

Note 3A: Changes in accounting policies and disclosures

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2025. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) Amendments to Ind AS 21 - Lack of exchangeability

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments do not have a material impact on the Company's financial statements.

(ii) Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants
In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

If there is a breach of a material covenant of a long term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but

before the financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current.

The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8.

The amendments do not have a material impact on the Company's financial statements.

(iii) Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The amendments do not have a material impact on the Company's financial statements.

(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026.

The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rules.

[THIS SPACE HAS BEEN INTENTIONALLY LEFT BLANK]

Note 3B : Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of asset or liability affected in future periods.

Judgements

In the process of applying the accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

Operating lease commitments – Company as lessor

The Company has entered into commercial property leases on its investment property portfolio. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the lease contracts as operating leases.

Estimates and assumptions

The Company based its assumptions and estimates, concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the Company's control. Such changes are reflected in the assumptions when they occur.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Determining useful life of property, plant and equipment

Determination of useful life of the property, plant and equipment and investment property requires the management to make estimates/assumptions and have a significant impact on financial statements.

	(Replacement cost)	Rate adopted per sq.ft.	Rs. 10,100/-	-
	Market Method	Built Up area (sq.ft.)	23,13,492	23,13,492
	(Replacement cost)	Rate adopted per sq.ft.	Rs. 3,400-5,200/-	Rs. 3,200-5,000/-

Description of valuation method

These valuations are based on valuations performed by Siddharth S. Thite & Associates and Sanjay J Oswal (for land in Mundwa) for the year ended March 31, 2026 and for the year ended March 31, 2025, who are accredited independent and registered valuers as defined under Rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The valuations were conducted through a market rate approach. Under this approach the market value has been obtained by considering the sale consideration of the similar properties. Under this method average market rate has been obtained from various sale instances for similar properties after adjusting various positive and negative factors associated with the property under valuation. For constructed properties depreciated replacement cost is taken for valuation.

Nature and purpose of reserves

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

Retained earnings

Retained earnings are the profits/(loss) that the Company has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss.

Capital redemption reserve

During financial year ended March 31, 2024 and March 31, 2021 the Company bought back its shares and in order to comply with the requirements of the Company law, the Company has created capital redemption reserve.

(e) reason for shortfall	NA	NA
(f) nature of CSR activities		
- Contribution to Charitable Trust (Educational & medical expenses)	32.00	21.50
(g) details of related party transactions, e.g., contribution to a trust controlled by the company in relation to CSR expenditure as per relevant Accounting Standard,	Refer Note 35	Refer Note 35

Note 29

Depreciation and amortisation expense

	For the year ended March 31, 2026	For the year ended March 31, 2025
Depreciation of property, plant and equipment and right to use assets (refer note 4A)	207.20	485.89
Depreciation of investment property (refer note 5A)	135.86	223.50
	<u>343.06</u>	<u>709.39</u>

For the year ended March 31, 2025, the Depreciation on property, plant and equipment and investment property was calculated on a Written Down Value ("WDV") basis, using the rates arrived at based on the useful lives estimated by the management. With effect from April 1, 2025, the Company has changed the method from written down value to straight line method based on the past experience and management's assessment of the future economic benefit from these assets. The management has accounted the impact of such change in accounting estimates prospectively in accordance with Ind AS 8 on "Accounting policies, Changes in Accounting Estimates and Errors". Accordingly, depreciation charge for the year ended March 31, 2026 is lower by INR 289.64 million.

Note 30

Finance costs

	For the year ended March 31, 2026	For the year ended March 31, 2025
Interest expense		
- on bank facilities	267.86	379.09
- on financial instruments at amortised cost	99.28	68.15
- on others	0.30	0.01

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

[THIS SPACE HAS INTENTIONALLY BEEN LEFT BLANK]

Note 33

Segment Information

The Board of Directors is the Chief Operating Decision Maker (CODM) and monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the Financial Statements. The Company's financing (including finance costs and finance income) is managed on a Company basis and is not allocated to operating segments. Further, certain Current taxes, deferred taxes and certain financial assets and liabilities are also managed on a Company basis are not allocated to operating segments

There are no non-current financial assets, income tax and deferred tax assets outside India.

For management purposes, the Company is organised into business units based on its products and services and has two reportable segments, as follows:

- (i) Commercial leasing - Commercial leasing includes revenue from leasing operations comprising of lease rentals from the properties given under lease.
(ii) Hospitality - Hospitality includes revenue from hotel operation comprise of revenue from sale of room, food and beverages and allied services related to hotel operation.

Total Liabilities	1,617.89	338.83	1,956.72
Depreciations	225.42	432.63	658.04
Capital expenditure during the year*	321.76	72.87	394.64

*Capital expenditure consists of additions of property, plant and equipment, right of use assets and investment properties.

Reconciliations to amounts reflected in the financial statements

A. Reconciliation of profit:

	March 31, 2026	March 31, 2025
Segment profit*	2,855.07	2,386.76
Finance income	204.09	190.02
Other finance costs	(368.21)	(448.14)
Other Unallocated expenses**	(109.74)	(157.99)
Unallocated income**	13.84	9.22
Exceptional item	(2.85)	-
Profit before tax	2,592.21	1,979.87

*Includes expenses towards corporate social responsibility, unallocated legal and professional fees and other corporate expenses.

**Includes other rental income and other income.

B. Reconciliation of assets

	March 31, 2026	March 31, 2025
Segment operating assets*	7,337.33	7,537.11
Loans	1,471.50	2,145.74
Other unallocated assets	2,743.69	1,464.47
Total assets	11,552.52	11,147.32

* Unallocated assets include loans given by the Company, common premises of the Company, vacant land held by the Company, fixed deposits held for corporate purposes, etc.

C. Reconciliation of liabilities:

	March 31, 2026	March 31, 2025
Segment operating liabilities	1,756.78	1,956.72
Deferred tax liability (net)	258.80	158.00
Income tax liability (net)	70.31	92.22
Borrowings	2,513.94	3,934.54
Other unallocated liabilities	20.89	8.27
Total liabilities	4,620.72	6,149.75

D. Reconciliation of depreciation expenditure:

	March 31, 2026	March 31, 2025
Segment depreciation expenditure	321.89	658.04
Other unallocated expenditure	21.17	51.35
Total depreciation	343.06	709.39

E. Reconciliation of capital expenditure:

	March 31, 2026	March 31, 2025
Segment capital expenditure	77.14	394.64
Other unallocated expenditure	-	174.27
Total capital expenditure	77.14	568.91

There were 2 customers in the commercial leasing segment (March 31, 2025: 2 customers) which exceeded 10% of the total revenue of the Company amounting to INR 1,378.17 million (March 31, 2025 INR 1,370.95 million). Further, revenues from external customers are entirely attributable to the Company's country of domicile.

Note 34

Disclosure pursuant to Employee benefits

A. Defined benefit plans:

The Company operates a defined benefit gratuity plan. Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The scheme is non-funded.

There are no plan amendments or curtailments during the years presented.

The disclosure in respect of the defined Gratuity Plan are given below:

Particulars	Defined Benefit Plans	
	As at March 31, 2026	As at March 31, 2025
Present value of funded obligations	12.80	8.68
Fair Value of Plan Assets	-	-
Net (Asset)/Liability recognised	12.80	8.68
Current	2.19	1.43
Non-current	10.61	7.25

Movements in plan liabilities

Particulars	As at March 31, 2026	As at March 31, 2025
Present value of obligation as at the beginning of the year	8.68	6.84
Current service cost	6.14	3.79
Interest Cost/(Income)	0.52	0.45
Past service cost	2.85	-
Transfer In /Out	-	-
Return on plan assets excluding amounts included in net finance income/c	-	-
Actuarial (gain)/loss arising from changes in financial assumptions	(0.03)	0.12
Actuarial (gain)/loss arising from demographic assumptions	-	-
Actuarial (gain)/loss arising from experience adjustments	(4.15)	(1.87)
Employer contributions	-	-
Benefit payments	(1.21)	(0.65)
Total	12.80	8.68

Statement of Profit and Loss

Expenses recognised in the statement of profit and loss

Particulars	As at March 31, 2026	As at March 31, 2025
Current service cost	6.14	3.79
Past service cost	2.85	-
Interest cost on defined benefit obligation	0.52	0.46
Net benefit expense	9.51	4.25

Remeasurement gains / (losses) recognised in OCI

Particulars	As at March 31, 2026	As at March 31, 2025
Change in financial assumptions	(0.03)	0.12
Change in demographic assumption	-	-
Experience gains / (losses)	(4.15)	(1.87)
Net (income)/expense for the year recognised in OCI	(4.18)	(1.75)

Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

For Hotel operations

	As at March 31, 2026	As at March 31, 2025
Discount rate	6.60%	6.50%
Future salary increase	8.00%	8.00%
Expected rate of return on plan assets	NA	NA
Rate of Employee Turnover	40.00%	40.00%
Mortality Rate During Employment	IALM (2012-14) ult	IALM (2012-14) ult

A quantitative sensitivity analysis for significant assumption is as shown below:

	As at March 31, 2026		As at March 31, 2025	
	Sensitivity level	(increase)/decrease in defined benefit obligation (Impact) for the current year	Sensitivity level	(increase)/decrease in defined benefit obligation (Impact) for the current year
Discount rate	1% increase	0.28	1% increase	0.20
	1% decrease	(0.30)	1% decrease	(0.21)
Future salary increase	1% increase	(0.18)	1% increase	(0.13)
	1% decrease	0.17	1% decrease	0.12
Withdrawal rate	1% increase	0.01	1% increase	0.00
	1% decrease	(0.01)	1% decrease	(0.01)

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. The sensitivity analysis are based on a change in a significant assumption, keeping all other assumptions constant. The sensitivity analysis may not be representative of an actual change in the defined benefit obligation as it is unlikely that changes in assumptions would occur in isolation from one another.

The followings are the expected future benefit payments for the defined benefit obligation:

Disclosure pursuant to Employee benefits	As at March 31, 2026	As at March 31, 2025
Within the next 12 months	2.03	1.43
Between 2 and 5 years	7.48	5.42
Beyond 5 years	5.68	3.76
Total expected payments	15.19	10.61

Weighted average duration of defined plan obligation in years (based on discounted cash flows)

	As at March 31, 2026	As at March 31, 2025
Gratuity	3.71	3.62

Financial liabilities				
Borrowings	2,513.94	-	2,513.94	2,513.94
Other financial liabilities	1,189.26	-	1,189.26	1,189.26
Trade payables	128.82	-	128.82	128.82
Total	3,832.02	-	3,832.02	3,832.02

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments as at March 31, 2025

Particulars	Amortised Cost	Fair value through profit and loss	Total carrying value	Total fair value
Financial assets				
Trade and other receivables	81.65	-	81.65	81.65
Cash and cash equivalents	392.47	-	392.47	392.47
Other bank balances	194.21	-	194.21	194.21
Loans	2,145.74	-	2,145.74	2,145.74
Other financial assets	162.73	-	162.73	162.73
Total	2,976.80	-	2,976.80	2,976.80
Financial liabilities				
Borrowings	3,942.81	-	3,942.81	3,942.81
Other financial liabilities	1,357.73	-	1,357.73	1,357.73
Trade payables	109.49	-	109.49	109.49
Total	5,410.03	-	5,410.03	5,410.03

The management assessed that cash and cash equivalents (including bank balances), trade receivables, loans, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values :

Current investments

The Company's current investments consist of investment in units of mutual funds. The fair value of investments in mutual funds is derived from the NAV of the respective units at the measurement date.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's financial instruments measured at fair value after initial recognition:

	Date of valuation	Fair Values	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Assets measured at fair value					
Investments in units of mutual funds	March 31, 2026	367.13	367.13	-	-
Investments in units of mutual funds	March 31, 2025	-	-	-	-
Assets for which fair value are disclosed					
Investment property	March 31, 2026	16,946.85	-	-	16,946.85
Investment property	March 31, 2025	16,675.72	-	-	16,675.72

There were no transfers between level 1, level 2 and level 3 during the years ended March 31, 2026 and March 31, 2025.

[THIS SPACE HAS INTENTIONALLY BEEN LEFT BLANK]

Note 39

Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade payables, borrowings and security deposits. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets includes investments, trade receivables and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and other price risk such as equity price risk and commodity price risk. Financial instruments affected by market risk include borrowings and investments.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026 and March 31, 2025.

The sensitivity analysis have been prepared on the basis that the amount of net debt and the ratio of fixed-to floating interest rates of the debt are all constant as at March 31, 2026 and March 31, 2025.

Commodity Price risk

The Company does not carry any significant commodity price risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company has not hedged its exposure to fluctuations in the interest rates on account of the insignificant impact of any changes in the interest rate to its operations.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected the Company profit before tax is affected through the impact on floating rate borrowings, as follows:

Risk management- Interest rate sensitivity table

	March 31, 2026		March 31, 2025	
	Increase / decrease in basis points	Effect on profit before tax	Increase / decrease in basis points	Effect on profit before tax
INR	+ 50	(12.36)	+ 50	(21.51)
	- 50	12.36	- 50	21.51

Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, if any, investment in mutual fund and other financial instruments.

Trade receivables

In case of real estate business, customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. For the fixed lease income, the billing is done in advance i.e. at the beginning of the month and for variable lease rent and other maintenance charges, the credit period provided is 10 days. Thus there are no major trade receivable balances outstanding at the year end.

In case of hospitality business, credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.

The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 38.

The Company assesses at each reporting date whether a trade receivable or a group of trade receivables is impaired. The Company recognises lifetime expected credit losses for all trade receivables that do not constitute a financing transaction and which are due for more than six months. The expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the trade receivables has increased significantly since initial recognition. The Company uses a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Particulars	Not due	within 180 days #	180 days to 365 days #	More than 365 days*	More than 365 days*	Total

ECL - Simplified approach	-	(1.19)	(5.22)	-	(6.72)	(13.13)
Net carrying amount	20.63	46.32	3.65	10.47	-	81.07

Particulars	Not due	within 180 days #	180 days to 365 days #	More than 365 days*	More than 365 days*	Total
March 31, 2025						
Estimated total gross carrying amount	19.57	44.85	7.31	11.04	7.69	90.46
ECL - Simplified approach	-	(1.11)	(0.02)	-	(7.69)	(8.82)
Net carrying amount	19.57	43.74	7.29	11.04	-	81.64

* Provision is made for receivables where recovery is considered doubtful irrespective of due date. Where an amount is outstanding for more than 365 days the Company usually provides for the same unless there is clear visibility of recovery.

Provision is made even for cases where amount if outstanding for less than 365 days, if recovery is considered to be doubtful

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency). The Company has not hedged its exposure to fluctuations in the foreign exchange rates on considering that the Company will settle the entire exposure within a period of 12 months and the insignificant impact of any fluctuations in the rate to its operations.

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

	March 31, 2026		March 31, 2025	
	Increase / decrease in rate	Effect on profit before tax	Increase / decrease in rate	Effect on profit before tax
USD payables	+5%	(0.80)	+5%	(0.68)
	-5%	0.80	-5%	0.68

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by Senior management. Management monitors the Company's net liquidity position on a monthly and quarterly basis through its Senior management meeting and board meetings. They use rolling forecasts on the basis of expected cash flows.

The Senior management ensures that the future cash flow needs are met through cash flow from the operating activities and short term borrowings from banks.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Risk management- Liquidity risk as at:						
	On demand	Less than 3 months	3-12 months	1-5 years	More than 5 years	Total
March 31, 2026						
Borrowings*	41.80	120.72	356.93	1,954.21	732.58	3,206.24
Security deposit	129.20	-	43.69	1,280.58	-	1,453.48
Trade Payables	-	128.82	-	-	-	128.82
Other financial liabilities	-	37.51	-	-	-	37.51
Total	171.00	287.05	400.63	3,234.79	732.58	4,826.05
March 31, 2025						
Borrowings*	-	159.74	522.18	2,998.83	1,601.80	5,282.55
Security deposit	489.33	-	10.92	1,059.59	-	1,559.84
Trade Payables	-	109.49	-	-	-	109.49
Other financial liabilities	-	23.46	8.85	-	-	32.31
Total	489.33	292.69	541.95	4,058.42	1,601.80	6,984.19

* Includes non-current borrowings, current borrowings and committed interest payments on borrowings.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors the capital using gearing ratio. The Company includes within net debt, lease liabilities, interest bearing loans and borrowings, less cash and cash equivalents.

Particulars	March 31, 2026	March 31, 2025
Borrowings (refer note 17)	2,513.94	3,942.81
Less: cash and short-term and long term deposits (refer note 14A and 14B)	529.20	600.22
Net debt	1,984.74	3,342.59
Equity share capital (refer note 15)	0.49	0.49
Other equity (refer note 16)	6,931.31	4,997.08
Total capital	6,931.80	4,997.57
Capital and net debt	8,916.54	8,340.16
Gearing ratio	22%	40%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the years presented.

Note 40

Ratios

Particulars	Numerator	Denominator	March 31, 2026	March 31, 2025	% Increase/(decrease) in ratio	Remarks
(a) Current ratio	Current Assets	Current Liabilities	1.70	2.17	-21.66%	The variance is below 25% , thus reason is not required
(b) Debt-equity ratio	Total Debt	Shareholder's Equity	0.36	0.79	-54.43%	Decrease is on account of decrease in total borrowings due to repayment of term loan.
(c) Debt service coverage ratio	Earnings for debt service = Net profit after taxes + Non-cash operating expenses	Debt service = Interest & Lease Payments + Principal Repayments	1.52	2.47	-38.57%	Ratio has decreased in current year on account of increase in total debt service during the year due to repayment of principal.
(d) Return on equity ratio	Net Profits after taxes	Average Shareholder's Equity	0.32	0.36	-11.12%	The variance is below 25% , thus reason is not required
(e) Inventory turnover ratio	Cost of materials consumed	Average Inventory	7.50	6.42	16.78%	The variance is below 25% , thus reason is not required
(f) Trade receivables turnover ratio	Net credit sales = Gross credit sales - sales return	Average Trade Receivable	53.69	48.94	9.71%	The variance is below 25% , thus reason is not required
(g) Trade payables turnover ratio	Net credit purchases = Gross credit purchases - purchase return	Average Trade Payables	9.39	8.87	5.91%	The variance is below 25% , thus reason is not required
(h) Net capital turnover ratio	Net sales = Total sales - sales return	Working capital = Current assets – Current liabilities	3.78	3.53	6.89%	The variance is below 25% , thus reason is not required
(i) Net profit ratio	Net Profit	Net sales = Total sales - sales return	0.44	0.38	16.98%	The variance is below 25% , thus reason is not required
(j) Return on capital employed	Earnings before interest and taxes	Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability	0.31	0.27	14.42%	The variance is below 25% , thus reason is not required
(k) Return on investment	Interest (Finance Income)	Investment = Mutual Fund + Fixed Deposits	0.07	0.08	-10.44%	The variance is below 25% , thus reason is not required

Note 41

Exceptional item

On November 21, 2025, the Government of India notified four new Labour Codes (the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020) consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and accounted for the incremental impact of these changes with the best information available and guidance provided by the Institute of Chartered Accountants of India. As a result of above change, the Company has recognised additional expenses of INR 2.85 million (March 31, 2025: Nil) on account of gratuity in the financial statements as an exceptional item in the Statement of Profit and Loss for the year ended March 31, 2026. The Company continues to monitor the finalization of Central/ State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect as and when such clarifications are issued/rules are notified.

Note 42

The Company has imported property, plant and equipment under EPCG scheme and availed exemption of custom duty liability on imported material amounting to INR 525.54 million as per the notification no. 97/2004 dated September 19, 2004 (as amended from time to time) issued by the Central Government in exercise of powers conferred under section 25(I) of the Customs Act, 1962. The export obligation under the scheme against this savings comes to INR 3,153.22 million. As on balance sheet date, the balance obligation yet to be fulfilled is Rs. INR 139.56 million (March 31, 2025: INR 982.38 million). In accordance with Ind AS 20, the duty saved is capitalized and INR 134.39 million (March 31, 2025: INR 137.75 million) is recognized as incentive received which has been recognised as other income, on account of proportionate fulfillment of the export obligation. The Company will account for the remaining incentive received in the books of account as and when such export obligation is fulfilled.

Note 43

The Company has received an eligibility letter dated June 29, 2024 from Directorate of Tourism (DoT), Government of Maharashtra for incentives under the Tourism Policy 2016 for the Ritz Carlton Hotel. As per the eligibility letter, incentives of INR 2,333.78 million have been determined on the basis of eligible expenditure incurred on property, plant and equipment and are granted in the form of refund of net SGST paid and electricity duty over a period of 7 years. The Company has recognised INR 94.02 million (March 31, 2025: INR 79.9 million) million as incentive income, on the basis of the net SGST paid by the hotel during the year.

Note 44

Other note

The Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that audit trail feature is not enabled for certain changes made, if any, using privileged/ administrative access rights to the application (in case of SAP S4 HANA) and/or the underlying database (in case of SAP S4 HANA and Opera).

The Company has not come across any instance of audit trail feature being tampered with, in respect of accounting software(s) where the audit trail has been enabled.

Further, the Company has used three accounting software in the hotel business (Peoplesoft, Simphony, Birchstreet) which are operated by third-party software service providers. In the absence of any observations on audit trail feature for certain changes made, if any, using direct privileged/ administrative access rights to the data, in the respective Service Organisation Controls (SOC) reports, the Company is unable to determine whether audit trail feature of these software was enabled and operated throughout the year for direct changes made to data for all relevant transactions recorded in this software or whether there were any instances of the audit trail feature being tampered with.

Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective year except the audit trail for one software used in the hotel business (Symphony used in Ritz Carlton) in respect of prior years has not been preserved by the Company as per the statutory requirements for record retention.

Note 45

- i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii) The Company has borrowings from banks and details of charge are mentioned in Note 17.
- iii) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- iv) The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.
- v) There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- vi) The Company has not received any funds from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall: a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or b. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries for the year ended March 31, 2026 and March 31, 2025.
